COMMUNITY NEWSLETTER SPRING 2020

MESSAGE FROM THE EXECUTIVE DIRECTOR: And in a flash our world changed!

No matter who you are or where you live, your world has changed. The feelings of uncertainty, fear, concern, and not knowing where to turn for help have become our reality. Wondering what the future will look like for you, your children, your grandchildren, and how you will adjust to

this new normal is a daily reality.

COVID-19, a single word, changed our world forever; much like when a person hears the word CANCER.

A cancer diagnosis immediately causes stress, insecurity, sadness, and makes us ask the ultimate questions, "Why me? Why now?" These feelings combined with having to cope with the emotions of family and friends, the many appointments and tests, waiting for results and procedures, and the strain on your financial resources can be debilitating. To a cancer patient, COVID-19 has added an additional layer of stress to what they are already experiencing.

For over 26 years the Cancer Assistance Program has been providing services that provide *help when you really need it.* These services include drives to all cancer-related appointments, the provision of personal care items (nutritional supplements, incontinence products, wigs, and mastectomy garments), parking assistance, equipment loans to keep you safe at home, and access to practical cancer education from medical experts with the Cancer Assist Show podcast... all free of charge, irrespective of ability.

Over the last few weeks, we have been asked to provide this help differently. During these unprecedented times we have been required to react quickly and carefully to continue to serve our clients. As you have read in the attached letter, we needed to provide service, but we had to do it in a different way. The Cancer Assistance Program receives no sustainable government funding. Our funds come from you – our donors, our sponsors, our clients, and community organizations. You will read in the following pages of this newsletter the many ways that individuals and groups have chosen to support us; each one making a difference in the lives of cancer patients in our community.

But today, WE NEED YOUR SUPPORT more than ever. Every dollar that you can donate will help us to continue to provide these free practical services a cancer patient requires, for as long as needed.

During these unsettling times, I would like to acknowledge the tireless efforts of our Board of Directors, staff, and most importantly, our volunteers. When we decided to close our doors on March 16th in order to protect our clients, volunteers and staff, so many volunteers reached out and asked, "How can we continue to help?"

There is no crystal ball to forecast what the future will look like post COVID-19, just like there is no crystal ball to forecast who will be diagnosed with cancer and how they will manage. But we do know that with your help, we can together be assured that the Cancer Assistance Program will continue to provide FREE services to those in our community.

If we have learned anything over these past few weeks, it is that we live in a community that works together to assist those in need.

Thank you,

Debbi Legel Butles

Giving Back to CAP

Looking for a way to give back to your community or honour a friend or loved one? Consider holding a third party fundraiser for the Cancer Assistance Program. You can also consider asking for donations to CAP in lieu of gifts on any occasion. Now more than ever, we are reliant upon the generosity of donors and the community to continue providing free services for cancer patients and families in need.

Visit cancerassist.ca to check out our new **Third Party Fundraising Guide** for ideas and helpful steps for planning your event. We would love to hear from you! (Under Events, click on Third Party Fundraisers)

Give & Grow

We have an exciting new way for you to support CAP this growing season. We're partnering with BigYellowBag®, a local company that delivers high quality garden products in a neat, clean bag straight to your door. As we are all getting into the planning for our spring/summer gardens, BigYellowBag has offered to donate \$10 to CAP for each bag purchased using our unique code below. As an added bonus, YOU save \$5 on your BigYellowBag purchase! So, if you're in need of soil or mulch to get your lawn and garden going this year, keep us in your thoughts.

Visit **BigYellowBag.com** or call **855-424-4224** and use code "CAP20" until June 30, 2020. Let's help each other grow!

The Gift That Keeps on Giving

As a charity that receives no sustainable government funding and operates on the generous support of our community, not only is it important to raise funds to support our services, but it is equally important to find ways to reduce our expenses. With the ever-increasing costs of lighting our beautiful new office space, we needed to find a partner that would help to replace our existing light fixtures and move to a more sustainable and energy-efficient alternative. We were absolutely thrilled to find that partner in **T. Lloyd Electric!** Mark Lloyd and Robert Tyrell quickly responded to our request and had 20 electricians signed up to donate their time and expertise on Saturday, March 7th to replace our light fixtures. Joining the Lloyds in this wonderful gift were Robertson Electrical, who donated all the LED lights, and Claire's Drywall, who donated the ceiling tiles.

This is the second time that the team at T. Lloyd Electric stepped up to lend a helping hand. When we first moved to 555 Concession Street in 2018, they also donated their time to install efficient lighting in the equipment shop.

On behalf of our clients, volunteers, and staff, we cannot thank them enough for providing this gift that will keep on giving, while ensuring more funds can be directed to services. Our hearts are full, and we are forever grateful for their generosity.

Not All Heroes Wear Capes

Our warmest THANK YOU to the **Barton Street East Lowe's Home Improvement store** for choosing Cancer Assistance Program as their 2019 Heroes Campaign beneficiary. Together, staff and customers raised over \$16,000 towards free services for those with a cancer diagnosis in our community!

These are just a few of their large team of passionate staff members who held their own fundraisers throughout the year, educated their team about CAP's services and ensured that message got out to all customers who were asked to donate at checkout. We simply do not have words for how important it is to have a community behind you every step of the way... This team stepped up to make the campaign their most successful to date, and we are beyond thankful for their support!

CAPitalizing on Giving Back

We are filled with much gratitude for our 130+ CAP volunteers who in 2019, donated over 21,000 hours of their time to serve our clients. Our capacity to serve more clients than ever before is due in part to our committed volunteers, who diligently work to meet the demand for our services through events, fundraising, transportation, and in-office support.

Our in-house fundraising group, who have aptly named themselves the "CAPitalizers", spent the year hosting raffles, a holiday bake sale, and the sales of our limited-edition 25th Anniversary CAP Bracelet. All efforts were incredibly successful, raising over **\$7,000** to date! The CAPitalizers voted to dedicate this funding to purchase equipment needs

for the Equipment Shop, as well as parking passes for clients visiting the Juravinski Cancer Centre. After seeing the success of the 25th Anniversary CAP Bracelets, the CAPitalizers collaborated with the designer of glamjulz once again to create a custom necklace (two styles to choose from!) that will be sold in complement to the bracelets. They will be on sale at our office for **\$25** each, while supplies last.

2020 Events Overview

Visit cancerassist.ca or call 905-383-9797 x107 for more information on events including sponsorship opportunities.

Cancer Assist Show *NEW* Podcast Format!

Cancer education that is practical and easy to understand is important to help patients and their families navigate a complex health care system.

Research has proven that informed and educated patients make better partners. Educated patients are better prepared to handle the side effects of treatment and advocate for themselves throughout their journey.

Listen to Dr. Bill Evans and other cancer care specialists as they discuss a variety of practical cancer-related topics to help navigate prevention, treatment and care – including the latest episodes on COVID-19 and its impact on cancer patients and caregivers.

Visit cancerassist.ca where you can access a variety of episodes anytime, anywhere.

25TH ANNIVERSARY GALA DONORS

Thank you to all who supported our 25th Anniversary Gala. Together, over \$110,000 (net) was raised, making it the most successful Gala yet! Special thanks to our many Donors:
