Johnston

WHY YOUR SUPPORT MATTERS

The Cancer Assistance Program (CAP) is a community-based, not-for-profit organization led by a team of staff and volunteers, offering **FREE** services to ease the physical, emotional and economic impact for all those in our community affected by cancer. CAP has been supporting cancer patients and their families for over 25 years with practical and essential services that help cancer patients live at home while receiving treatment.

Services provided include **transportation** to and from cancer-related medical appointments, access to **parking** for appointments taking place at the Juravinski Cancer Centre and Hospital, home health **equipment** loans and **personal care and comfort items** – wigs and head coverings, nutritional supplements, mastectomy garments and incontinence products. Supports continue for as long as individuals require them. In 2019, CAP:

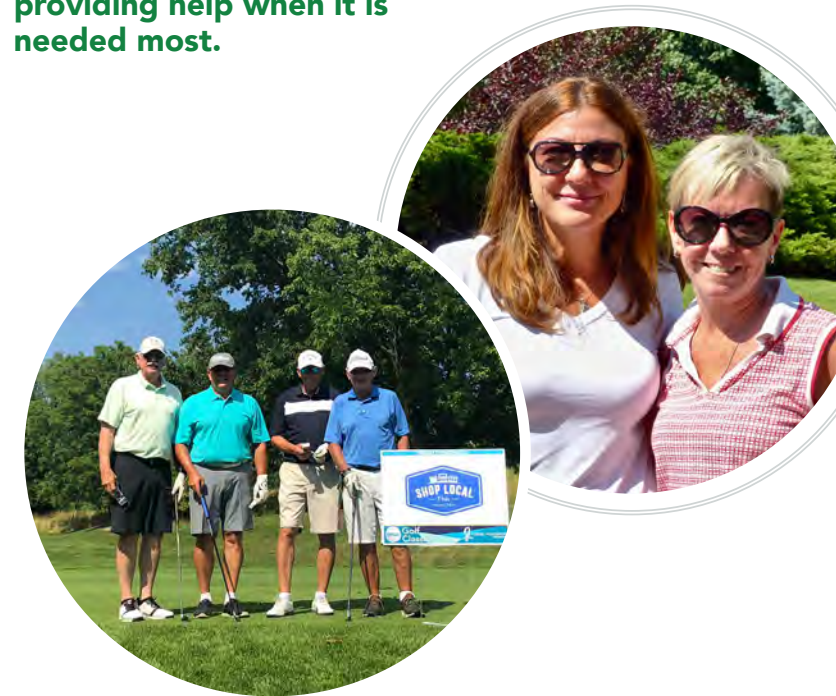

- Registered **1,134** new clients;
- Provided **11,053** rides to and from cancer-related medical appointments;
- Provided parking for **2,327** appointments taking place at the Juravinski Cancer Centre and Hospital;
- Loaned out **3,022** home health equipment items, and;
- Issued **2,729** packages of incontinence products and **3,196** six-packs of nutritional supplements.

When the pandemic hit in March, we had to close our doors and figure out new ways to keep delivering services safely. With **no sustainable government support**, CAP relies greatly on the generous support of community and proceeds raised from signature events held throughout the year. Knowing that cancer does not take a break and that **clients require our support more than ever**, we had to respond.

One of CAP's longest running fundraisers is the annual Golf Classic which will look a bit different this year. In it's 42nd year, we are hoping you will join us in driving to deliver services to cancer patients in our community on **Tuesday, September 15th, 2020** at **Dundas Valley Golf and Curling Club**. If you are able, please consider sponsoring this essential fundraiser. Alternatively, please consider joining us on the course, making a donation or contributing an auction item or prize. You can feel great knowing that funds raised stay right here in our community helping cancer patients and families during this challenging time.

For more information on the sponsorship opportunities below, contact **Ashlee Leggett** at **905-383-9797 x107** or aleggett@cancerassist.ca.

With your support, we can continue our legacy of providing help when it is needed most.

SPONSORSHIP OPPORTUNITIES
