

THIRD PARTY FUNDRAISING GUIDE

WHY HOST A THIRD PARTY FUNDRAISER FOR THE CANCER ASSISTANCE PROGRAM?

One in two Canadians will be diagnosed with cancer in their lifetime and **one in four** will die from the disease. The number of newly diagnosed cancer patients continues to rise every year. With advances in medical care and treatment, cancer patients are living longer with the disease.

Associated with the emotional stress that a cancer diagnosis brings are the financial challenges that only come to light once treatment begins. Patients and their families are not prepared for the reality that **not all costs are covered** – lost time from work, travel costs and other medical expenses.

The Cancer Assistance Program (CAP) is a community-based, not-for-profit organization led by a team of staff and volunteers, offering **FREE** services to ease the physical, emotional and economic impact for all those in our community affected by cancer. CAP has been supporting cancer patients and their families for over 25 years with practical and essential services that help cancer patients live at home while receiving treatment.

Services provided include **transportation** to and from cancer-related medical appointments, access to **parking** for appointments taking place at the Juravinski Cancer Centre and Hospital, home health **equipment** loans and **personal care and comfort items** – wigs and head coverings, nutritional supplements, mastectomy garments and incontinence products. Supports continue for as long as individuals require them.

Those eligible for our services include those with a cancer diagnosis who live in or are being treated in the **greater Hamilton community** (including Stoney Creek, Binbrook, Mount Hope, Flamborough, Dundas and Waterdown).

With **no sustainable government support**, CAP is faced with the challenge each year of raising more funds to meet our community's demand and **we cannot do it alone**.

The Cancer Assistance Program relies greatly on third party or community fundraisers held by individuals and groups throughout the year. By hosting your own event with proceeds benefitting CAP, **you are helping make a very real and tangible difference in many lives**. Big or small, every dollar helps and you can feel great knowing that funds raised stay right here in our community impacting friends, family, neighbours and coworkers directly.

With your support, we can continue our legacy of providing help when it is needed most. Thank you for your interest in supporting the Cancer Assistance Program though a special fundraising event. We look forward to connecting soon!

HOW CAP CAN HELP

The Cancer Assistance Program staff and volunteers organize and host four annual signature fundraising events alongside other campaigns. By hosting a third party fundraiser, you assume responsibility for all aspects of your event, from planning to implementation, independent of CAP resources. Cancer Assistance Program is pleased to support you in the following ways:

- » **Answering any questions and providing guidance throughout the planning process**
- » **Use of Cancer Assistance Program name and logo with CAP's approval**
 - All materials using name or logo must be pre-approved by CAP prior to use
- » **CAP marketing and informational materials**
- » **Social media promotion on CAP's Facebook, Twitter and Instagram pages**
- » **CAP representative at event**
 - Not guaranteed, but every effort will be made to make this possible
- » **Issuing tax receipts according to CRA guidelines**
 - Offering tax receipts must be pre-approved by CAP
 - Tax receipts will be issued according to Canada Revenue Agency guidelines (learn more [here](#))
 - Once approved, tax receipts will be issued for gifts of \$20 and above
 - Tax receipts will only be issued if full name and address of donor is provided
 - Tax receipts will NOT be issued for sponsorships as the company will have received marketing value in return
 - Cancer Assistance Program will issue a letter to businesses and corporations regarding the donation, which should suffice as evidence of the charitable gift
